

Spring, Spring, Spring...

Bu Jason Aguilar

It's that time of the year again to start sprucing up your yard with new shrubs and flowers. The best way in my opinion, is simply adding a focal point or a splash of color to your existing landscape. These easy changes can make a huge difference to the look of your home and is very inexpensive. Something as simple as adding some low growing perennials or evergreens along the walkway could change the entire look and give you the "Pop" you might be lacking.

Plants like:

- | | | |
|---------------|--------------------|------------------------|
| Blue Daze | Society Garlic | Drift Roses |
| Gaillardia | Mexican Heather | Dwarf Mexican Petunias |
| Oyster Plant | Gold mound Duranta | Bulbine |
| Crotons | Color Guard | Dwarf Bottlebrush |
| Flax Lily | Lantana | Salvia |
| Dwarf Azaleas | | |

At Anson Nursery, our goal is to give you the best information to help with any questions or projects you may have pertaining to your gardening and landscaping needs.

Questions like:

- Is your area in full sun or shade?
- How tall do you want the plants to grow?
- Are you looking for tropical or cold hardy plants?
- When do you want them to bloom?
- Any particular colors you like more then others?

These types of questions can be very helpful in deciding which plants would work best for you and your areas. We can help you narrow your search instead of taking on the entire nursery by yourself.
If you think your project is too big to handle yourself or you simply don't want to do it. We offer a free landscape consultation.

If you have never stopped by the Nursery or it's been awhile since the last time you were in. We would love to meet or see you again. We carry a wide range of trees, Shrubs and flowers, and we recently opened a new section of the nursery that is dedicated to only Florida Natives. This area is almost 4000Sqft with over 100 different varieties and growing. Our inventory is always changing, so come on in and say Hi.
